Each year, the school provides workbooks, art supplies and paper but we ask parents to provide the necessary stationery their child will need daily.

We would be very grateful if you could purchase the following items for your child:

We ask that the above items be placed in a clear clip lock bag clearly labelled with your child's name. All stationary items will be placed in tubs on your child's desk.

Please have these items available by Week 3. Please do not send in items until your child has been placed into their 2023 classroom.
