Seesaw digital portfolio

Dear Parents/Carers,

Throughout 2021, your child's class will be using Seesaw (<http://seesaw.me>), a secure online journal where students can document what they are learning in class. Your child will be able to add the things we work on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal and we can share them privately with you and other family members to view and comment on.

In order for your child to use Seesaw, certain personal information – like the student's name, photos, videos or voice recordings – may be collected. Seesaw has a robust privacy policy (<https://web.seesaw.me/privacy-policy>) and is committed to never share or sell your child's personal information or journal content.

In accordance with Department of Education requirements, we must provide you with notification and obtain your permission in order for your child to use Seesaw. To assist with this, please sign the slip below and return it to the office.

We hope that your child will enjoy using Seesaw to document and share their learning this year and that it will provide you with an additional way to engage in your child's learning journey.

Kind regards,
Sandra Wilson
Principal
